

HORSE RIDING ACADEMY

University of Bath •
Berkshire College

9 – 17 years

See centre information on pages 16 and 44

Students attending the Academy will be fully immersed in all things equestrian. The Academy includes both Horse Riding and Horse Care as part of each session.

Boys and girls on each course will be assessed on their skill and confidence and the horses they ride will be selected for them based on this information. Trained veterinarians will be on hand to take care of the horses' medical needs but students will be instructed on the general care of horses on each course. Students will be involved in learning how to use, clean and maintain tack, a fundamentally important part of equestrianism.

WHO CAN TAKE PART

Our highly qualified, friendly instructors offer great advice and encouragement for new riders and draw on years of experience to help the more advanced equestrians improve their riding skills and gain further confidence.

- 1h30min of horse riding and 1h30 of stable management per session
- Use of horse riding equipment (students must bring shoes / boots with a heel)

SELLING POINTS
