Students attending the Academy will be fully immersed in all aspects of the Performing Arts. The programme for summer 2019 has a brand new curriculum which our dance instructors will follow over a two week course. Experience and feedback from previous courses has enabled us to create both a fun and enjoyable programme which includes improving communication in English.

Each of the sessions have the same core elements which help students improve key skills such as confidence, flexibility, range of motion, coordination and much more. In addition to this, students learn a dance routine for a song chosen by them, and create a show for the final day of the course.

Ardmore Language Schools is not affiliated with Saint Peters University.
